**LAUGH...REFLECT...LEARN  
...BE CHANGED**

*WOW!!! An amazing experience! Thought I'd just go to the first session, but after attending, I didn't want to miss the others.*

*My experience of the Catholic Guy Event was uplifting, inspiring and enriching. I have since changed career into an area I prior did not think I was capable of.*

*The fact that my daughter came to each session, loved it, when she is not a practicing Catholic, gave me renewed hope.*

*It was just awesome. My husband and I had the best experience ever. Very powerful sessions allow us to talk more deeply about our relationship with God and the church. Amazing.*

*The Catholic Guy event made me think about my relationship with God and the people in my life most important to me. It allowed me to stop and consider what really matters in my life.*

*The experience I had during The Catholic Guy Ministry is truly something you have to experience yourself. Being a teenager it is easy to lose the true meaning of being religious, and what Catholicism is about, and I honestly believe that Bruce has encouraged me to strengthen and continue my faith.*
